

KEY INVESTOR INFORMATION

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

FCS FLEX ABLE GROWTH FUND CLASS A, a sub-fund of FCS FUND SERVICES SICAV (ISIN: LU0979702627)

The Investment Manager is FCS Asset Management Ltd.

Objectives and Investment Policy

- | | |
|---|---|
| <ul style="list-style-type: none"> • The Fund is a global asset allocation fund which may invest up to 100% in equity securities but generally it will intend to mitigate risk through the adequate diversification among different asset classes such as fixed income, and/or other UCITS, with a capital growth investment objective. • Concentration among securities will comply with the UCITS regulations. • The Fund has daily liquidity on business days in Luxembourg. • The Fund has a very wide range of discretion in its investment policy aiming to quickly adapt to market circumstances. • The Fund search for undervalued securities and markets. • The Fund does not follow any market benchmark of any kind. • The Fund may invest in other UCITS funds not exceeding 20% in a single UCIT. • The Fund is an “accumulation fund” and therefore no dividends or income of any kind is distributed to investors. | <ul style="list-style-type: none"> • The Fund may invest in debt securities of any kind issued within any Regulated Market, corporate or sovereign’s issuers. • The Fund performance will be the result of the discretionary portfolio management within the UCITS Investment Limits. • The Investment Policy is based on an unconstrained style (adaptive to market circumstances). • The Investment Policy intends to search for undervalued securities (value investing). • The Fund may use derivatives for hedging and investing purposes including OTC derivatives. • The Fund may not exceed an aggregate of 30% of the assets of UCITS funds in non-UNICTS funds. • Portfolio transaction costs will have a material impact on performance. • The Fund has a long term horizon and the minimum recommended term for holding units is 5 years. |
|---|---|

Risk and Reward Profile

- | | |
|---|---|
| <ul style="list-style-type: none"> • Category 1 does not mean a risk free investment. • The risk and reward profile shown is not guaranteed to remain unchanged, and this categorization may shift over time. • The Fund is not capital guaranteed and has a high risk associated with the securities and the use of derivatives for hedging and investment purposes. • The Fund may incur in a high level of credit risks as it may purchase any kind of debt securities negotiated in Regulated Markets. • The Fund may invest in a wide range of UCITS permissible securities and markets what will imply additional risks for the investors. | <ul style="list-style-type: none"> • The Fund is exposed to counterparty risk under the UCITS maximum which may imply additional risks for the investors. • The administrator and NAV calculation agent and the custodian of this Fund are independent third parties. • There may be risks associated to the safekeeping of the assets by the Custodian and Sub-custodians. • This Fund uses derivatives (including OTC) for hedging and investment purposes that may increase the risks associated with the investment, adding counterparty risks, market risks and liquidity risks. • Factors such as the use of derivatives for investment purposes and the investment in securities associated in the past to high levels of risk, the expected maximum limit of annual volatility of the Fund’s performance, recommends to categorize this Fund within scale 7. |
|---|---|

Charges for this Fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.
