

KEY INVESTOR INFORMATION

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

FCS UNCONSTRAINED GROWTH FUND CLASS 1, a sub-fund of FCS GLOBAL FUNDS SICAV P.L.C (ISIN: MT7000005005)

This Fund is managed by FCS Asset Management Ltd.

Objectives and Investment Policy (Note: Sub-fund's investment policy updated in 1st october 2019)

- The Fund will invest in equities, fixed income securities, currencies, cash & money market instruments and collective investment schemes. The Fund may invest up to 100% in Equities and Equity Related Securities & 100% in Fixed Income and Fixed-Income Related Securities.
- Concentration among securities will comply with the UCITS regulations.
- The Fund has daily liquidity on business days in Malta.
- The Fund has a very wide range of discretion in its investment policy aiming to quickly adapt to market circumstances.
- The Fund search for undervalued securities and markets.
- The Fund does not follow any market benchmark of any kind.
- The Fund is an “accumulation fund” and therefore no dividends or income of any kind is distributed to investors.
- The Fund performance will be the result of the discretionary portfolio management within the UCITS Investment Limits.
- The fund will not use any borrowing powers such as securities lending and its maximum gross exposure limit through derivatives will be 200% of the NAV.

- The Fund may invest up to 10% of its NAV in OTC securities, although is unusual.
- The Fund can invest in other UCITS/CISs funds not exceeding 20% of NAV in a single UCITS/CIS.
- The Investment Policy intends to search for undervalued securities (value investing).
- The Fund may use derivatives for hedging and investing purposes including OTC derivatives.
- The Fund may invest a large part of the portfolio in cash and cash instruments such as deposits. Given that the fund intends to have a global approach, it may invest in foreign exchange cash as a crucial part of gathering global exposure other than the funds denominated currency.
- Portfolio transaction costs will have a material impact on performance.
- The Fund has a long term horizon and the minimum recommended term for holding units is 5 years.

Risk and Reward Profile

- 
- Category 1 does not mean a risk free investment.
 - The risk and reward profile shown is not guaranteed to remain unchanged, and this categorization may shift over time.
 - The Fund is not capital guaranteed and has a high risk associated with the securities and the use of derivatives for hedging and investment purposes.
 - The Fund may incur in a high level of credit risks as it may purchase any kind of debt securities negotiated in Regulated Markets.
 - The Fund may invest in a wide range of UCITS permissible securities and markets what will imply additional risks for the investors.

- The Fund may incur in counterparty risk within the UCITS-maximum investment limits permitted under the UCITS regulations which will imply additional risks for the investors.
- The Custodian of this Fund is an independent third party.
- There may be risks associated to the safekeeping of the assets by the Custodian and Sub-custodians.
- This Fund uses derivatives (including OTC) for hedging and investment purposes that may increase the risks associated with the investment, adding counterparty risks, market risks and liquidity risks.
- Factors such as the use of derivatives for investment purposes and the investment in securities associated in the past to high risk level make that, the expected maximum limit of annual volatility of the Fund’s performance, calculated, recommends to categorize this Fund within scale 7.

Charges for this Fund

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

The **entry** and **exit charges** shown are maximum figures. In some cases you might pay less – please refer to your financial advisor.

The ongoing charges figure is based on forecasting the recurring expenses to an annual basis plus the extraordinary expenses of the year divided by the total Assets Under Management at the moment of the observation. This figure may vary from quarter to quarter. It excludes:

- Performance fees not applicable.
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the UCITS when buying or selling units in another collective investment undertaking.

For more information about charges, please see “Fees and expenses” of the Fund’s prospectus, which is available at www.fcs-am.com

One off charges taken before or after you invest (maximum fee on subscriptions and redemptions)	
Entry Charge	0%
Exit Charge	0%
Charges taken from the Fund over a year
